

**CITY OF ARROYO GRANDE
CITY COUNCIL
NOTICE OF PUBLIC HEARING**

On **TUESDAY, OCTOBER 13, 2015**, the Arroyo Grande City Council will conduct a public hearing at **6:00 P.M.** in the **COUNCIL CHAMBERS** at **215 E. BRANCH STREET** to consider the following item:

1. **PROPOSED SOLID WASTE RATE INCREASE.** The City Council will consider rate increases for solid waste disposal services, which would become effective January 1, 2016, January 1, 2017 and January 1, 2018. The proposed rate increases are necessary for South County Sanitary Service to continue providing safe, environmentally sound and reliable solid waste removal, transportation and disposal services for its customers. The rate increases requested are primarily due to increasing operational costs associated with providing this service, including, but not limited to increased costs associated with operation and fuel for vehicles, increased labor costs, increased landfill rates and costs associated with the implementation of an Organics Program as mandated by California AB 1826, which requires local jurisdictions across the state to develop a recycling program to divert organic waste from landfills to an authorized composting facility. The Council may also discuss other hearings or business items before or after the items listed above.

If you challenge the proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City Council at, or prior to, the public hearing. Failure of any person to receive the notice shall not constitute grounds for any court to invalidate the action of the legislative body for which the notice was given.

Information relating to the items above is available at Arroyo Grande City Hall located at 300 E. Branch Street, Arroyo Grande or by calling 805-473-5400. The City Council meeting will be televised live on Charter Cable Channel 20.
