

**CITY OF ARROYO GRANDE  
CITY COUNCIL  
NOTICE OF PUBLIC HEARING**

**NOTICE IS HEREBY GIVEN** that the Arroyo Grande City Council will conduct a public hearing on **TUESDAY, JUNE 14, 2022 at 6:00 p.m.**, or soon thereafter, in the **Council Chamber, 215 E Branch Street, Arroyo Grande, CA**, to consider the following item:

**PROPOSED SOLID WASTE RATE INCREASE.** The City Council will consider rate increases for solid waste disposal services, which would become effective June 15, 2022, January 1, 2023 and January 1, 2024. The proposed rate increases are necessary for South County Sanitary Service to continue providing safe, environmentally sound and reliable solid waste removal, transportation, and disposal service for its customers. The rate increases requested are primarily due to increasing operational costs associated with providing this service, including, but not limited to increased costs associated with operation, maintenance and fuel for vehicles, increased labor costs, increased costs related to truck depreciation, investments in food and green waste recycling, and increase costs related to insurance.

The Council may also discuss other hearings or business items before or after the items listed above. If you challenge the proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City Council at, or prior to, the public hearing. Failure of any person to receive the notice shall not constitute grounds for any court to invalidate the action of the legislative body for which the notice was given.

Information related to the item above is available at Arroyo Grande City Hall located at 300 E. Branch Street, Arroyo Grande or by calling 805-473-5400. Staff reports are posted online 72 hours prior to the meeting.
